Happy New Year!

We had a wonderful Christmas season at Windsor Manor! It's amazing to look back at all the work and time that goes into celebrating a day. We were blessed all month long with treats from friends and family. It is such a joy to see the support and care for all at Windsor.

We remain vigilant in our fight against all the illnesses such as influenza and covid. Just a friendly reminder to please refrain from visiting if you are feeling ill.

Despite the frigid temperatures and snow, we remain active and WARM. Kelsey, our activity director, has kept our activity calendar full and is rolling out new games every month. The residents enjoyed a friendly snowball fight and hot cocoa social in December along with MANY Christmas activities.

If you know of someone who would benefit from a safe, caring environment that provides many opportunities for socialization give us a call at 319-472-2060! We currently have a 2-bedroom apartment available in our assisted living.

Here's to a Happy and HEALTHY 2023!
